

ISIS, Taliban et al. are murderous
psychopaths reviving the creed
of a heterodox sect known
as the Azāriqah

Ibn al-Jawzī (d. 597H) said in Talbīs Iblīs (1/574):

عن مرافقتنا^(١) في القتال مشركون^(٢) كفره، وأباح هؤلاء قتل^(ب) النساء
والصبيان من المسلمين و[حكموا]^(ج) عليهم بالشرك. وكان نجدة

"[The followers of Nāfi' Ibn al-Azraq (d. 65H/684CE)] allowed the killing of women and children from the Muslims and declared them to be upon Shirk."

Compare this inhumane position to the the stance of the Prophet of Mercy, as conveyed by his trustworthy companions,

"The Messenger of Allāh (peace and blessings be upon him) prohibited the killing of women and children." Muslim (1744)

Imām al-Nawawī stated,

"The scholars unanimously agreed that this hadīth is to be implemented and that it is forbidden to kill women and children, if they are non-combatants."
